

Quarterly OSUM Student Mentor Report  
*Please note that the form has three parts*

Part I

1. Name:

2. Major:

3. How many quarters have you been with the program?

4. Were you part of a daytime or after-school program?

5. About how many weeks did it take you to get matched with your little? (If you have the same little from a previous quarter, how long did the initial match take?)

6. How many times during the quarter were you able to meet with your little? If fewer than six times, please explain.

7. What did you find was your greatest challenge in the program?

8. Prior to orientation in the program, did you form any expectations about what the program would be like? If so, were your expectations met by your experiences in the program?

9. Do you plan to continue the program next quarter? Please explain why either way.

10. In your opinion, what are the strengths of the program? Weaknesses?

12. Would you be willing to help recruit more students for the program by spending a couple hours at a “mentoring information table” at OSUM a couple times per quarter? Do you think this is a good recruitment idea?

13. Other comments about your mentoring experience.

## Part III

Now we'd like to learn more, in detail, about your experiences this past quarter. In a short essay (600-700 words or so), please describe fully how the mentoring work this quarter has affected you as a student, a leader, and a citizen. Has mentoring changed any of your attitudes, abilities, ideas, and actions? And what changes have you noticed in the student with whom you've been working? By carefully answering these questions, and doing so with detailed examples, you will really help us understand what you have been experiencing
